

## **A Special Ministry Position Is Now Open at Truth for Today World Mission School, Inc.**

**2209 Benton St., Searcy, AR 72143**

TFTWMS is looking for a person to serve as an assistant to its director. The Director, Eddie Cloer, through the consent of its board, has made this announcement and is interviewing interested candidates. This ministry position is an excellent far-reaching position of evangelism and edification with one of the largest and strongest mission works in our brotherhood.

The work of TFTWMS serves the world through three major levels of evangelism and edification: **(1) Regarding national preachers**, it attempts to encourage the national preacher by sending to him each month printed expository studies in 13 languages. See also [www.biblecourses.com](http://www.biblecourses.com). These servants of the Lord are annually teaching and baptizing no doubt thousands and are establishing numerous new congregations. The 50-volume Truth for Today commentary set has grown out of the materials sent over the past several years to the national preachers. The brotherhood has supported this commentary set and held it in high esteem.

**(2) Regarding teachers**, TFTWMS is nurturing around 10,000 Christians into being teachers of "The Life of Christ" in two-tenths of the earth each year. With the Lord's grace and strength, it plans to continue this teacher/recruiting effort until it has covered the entire earth (to some degree) during the next 5 years. At that point, it will start over, with a similar recruiting coverage of the earth. Thus, it is attempting to cultivate during each 5-year-period 50,000 grassroots teachers of "The Life of Christ" who will be teaching people around them throughout the world. Each student recruited will function as "A One-Teacher, One-Course School" wherever he lives.

**(3) Regarding students**, TFTWMS provides responsible biblical studies for most of the world through its online school or learning center. See [www.ThroughTheScriptures.com](http://www.ThroughTheScriptures.com). At the present time, the school has 426 courses and around 2,000 fulltime students who are making their way through the Scriptures online. The school utilizes 23 the major languages of the earth, and this linguistic characteristic gives native-language access to 70 percent of the people of the earth.

The position TFTWMS seeks to fill has two parts. The first part involves work with the commentary series until it is completed and with the online school as it is improved and expanded. The second part is concentrating upon covering two-tenths of the earth each year with "The Life of Christ" teacher recruiting effort. He will assist by putting together the strategies, mailings, and the identification of proposed teachers. He will be designing, writing, researching, evangelizing, edifying, and preaching.

The support salary is above average, and the position has good Christian incentives and benefits. It would be hard to estimate the amount of good in the world that this ministry position will allow a person to accomplish. The position focuses almost entirely upon the main point of the Great Commission, that is, upon its global coverage with the message of Christ.

This ministry position requires an excellent education in the Scriptures and a working knowledge of Greek and Hebrew. If the candidate does not have these language skills, he must have a desire to immediately acquire them. He must have an interest in writing Christian literature. In addition, he must have a growing knowledge of computer and Internet abilities. Above all, he must have an incurable ambition to cover the earth with the gospel of Christ.

Searcy, Arkansas, is a wonderful city in which to live. It is the home of Harding University, one of our great Christian universities. In addition, Harding Academy, a highly regarded Christian academy, is located in Searcy. Harding's graduate School of Theology in Memphis (HST) is only three hours away.

If you are interested in this ministry position, please contact us at Truth for Today World Mission School, Inc., 2209 Benton St., Searcy, AR 72143. Phone: 501-268-7588. Email: [ecloer@biblecourses.com](mailto:ecloer@biblecourses.com).
