HIGHLIGHTS

DOMINICAN REPUBLIC

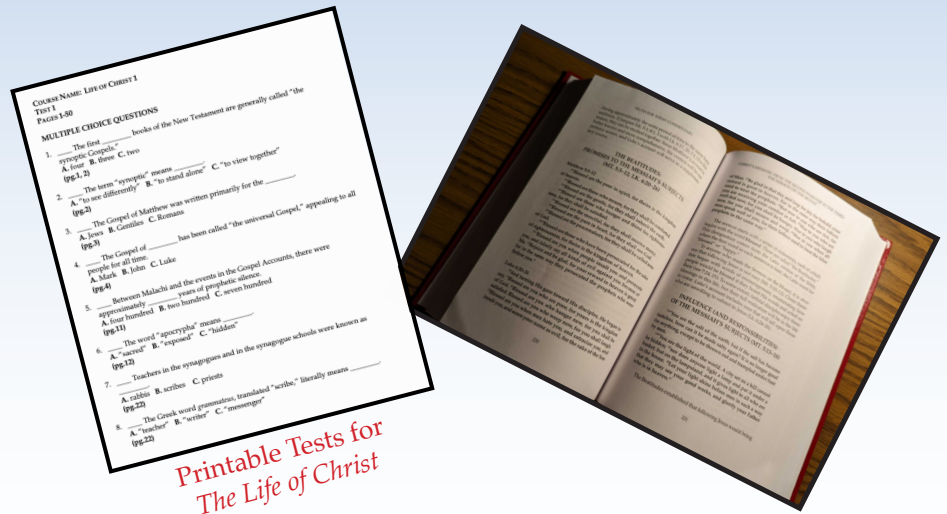

Home to 11 million people, the Dominican Republic is located in the Caribbean Sea and shares an island with Haiti. Its residents speak a dialect of Spanish called Dominican Spanish.

TFTWMS sends issues to about 30 preachers in this country. Socrates Florentino, a brother who lives in the Dominican Republic that receives the *Truth for Today* issues in Spanish, says,

“Please continue sending me TRUTH FOR TODAY and LA VERDAD PARA HOY. [T]hey are powerful tools in my growth and for teaching others.”

Flexible Studies of “The Life of Christ”

TFTWMS has expanded the options for studying *The Life of Christ*, 1 & 2. Now 10 tests are available for each book that you can download and print for free on biblecourses.com/life. The answer key is provided so that you may guide a class through each book. These tests are also translated into Spanish and Portuguese.

This is an additional resource to the many study methods already provided. Other methods include taking a course on throughthescriptures.com, which can be finished in about 8 weeks and can be extended. *The Life of Christ Challenge* is a one-year congregational study that has material for Bible classes, sermons, and youth groups. Thousands of “teacher’s boxes” have been sent across the globe, and online PDFs are available in 8 languages. Email Jim Gurchiek at jgurchiek@biblecourses.com to learn more about these resources.

A Note from Eddie Cloer
