

Into the Abundant Life and Becoming a Faithful Christian

Into the Abundant Life

Becoming a Faithful Christian, previously known as *Seeking a Better Life* until 2013 (mostly in India), or as it is now named *Into the Abundant Life*, is an outreach tool that began in 1999 and has served for many years. It still serves as TFTWMS reprints the book in 2026 and as the 15 translations are featured on our website at www.biblecourses.com/English/AbundantLife.aspx and www.biblecourses.com/BAFC.aspx. Two more languages were printed besides those 15, totalling 17 translations. The digital versions can be downloaded online.

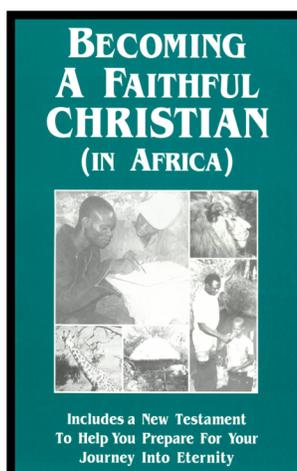

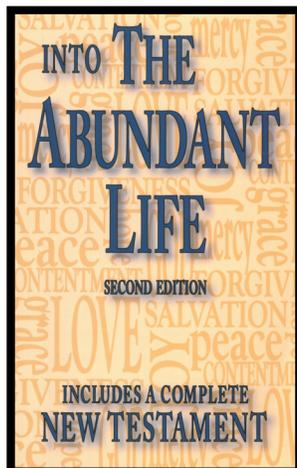

This book contains basic lessons to guide a learner to become a Christian. The New Testament is included, with printed prompts as to how a person can learn the plan of salvation.

Note that in the first edition called *Becoming a Faithful Christian (in Africa)*, 2 pages steered the reader to write to TFTWMS, to World Bible School in Austin, TX, and to 11 contacts in 11 African countries for teaching, more material, and a connection to local churches of Christ. This method served those who were “seeking to be the New Testament church in Africa” primarily during 2000–2002 and on into the 2000’s. This approach was a part of 273,410 copies specifically for Africa.

TFTWMS has often heard of the effectiveness of this book that is like a missionary going out to small areas and teaching with all the power in the New Testament.

If just one person has been saved from reading each copy of this book, then we rejoice at the great effectiveness of this thrust because of God's help. This book, translated into 17 major languages, will keep on teaching with its online presence for many years.
