HIGHLIGHTS

PRINTED MATERIALS IN INDIA

Claiming the highest population in the world, India is home to 1.4 billion people speaking thousands of languages and dialects across 28 states and 8 union territories.

Truth for Today World Mission School prints and distributes around 150,000 issues in a small book format each year within India in 5 of the 22 officially recognized languages. This includes Tamil, Telugu, Kannada, Hindi, and Punjabi..

We are thankful for those who help us coordinate this work in service of the Lord.

The Life of Christ, 1 & 2 in Five Languages to India and Nepal

TFTWMS has been earnestly working on the “Tenth of the World” project, which aims to provide “The Life of Christ” to every part of the globe. This year and next year we are focused on India and Nepal, a very critical region in reaching the population of the world, including over 1.48 billion people.

We have been diligently working to translate and prepare material into Nepali, Hindi, Telugu, Marathi, and Punjabi. The material will include two sets of *The Life of Christ, 1 & 2* by David Roper, and an additional booklet to aid the teachers and students. These sets will be printed in country and distributed to preachers, teachers, schools, and churches throughout the region. We also hope to provide the translated material online.
