Truth for Today World Mission School HIGHLIGHTS

OUR WORK IN BRAZIL

The Portuguese language is spoken by an estimated 230 million people worldwide. It is the official language of the countries Portugal, Guinea-Bissau, Mozambique, São Tomé and Príncipe, East Timor, Brazil, and Angola. It is also used in Macau and Goa.

Our head translator lives in the city of Florianópolis in Brazil. She has been translating material into Portuguese for over 20 years, working on about eleven issues each year. These materials help over 1,400 preachers and teachers throughout Brazil, Portugal, and Mozambique. The lessons are also made available online at biblecourses.com.

Sending Christian Material to the Portuguese-speaking World

Truth for Today World Mission School (TFTWMS) has been involved with sending Portuguese teacher's boxes to Brazil and Mozambique. Each box includes *The Life of Christ* 1 & 2, *Into the Abundant Life*, *Salvation Insights*, and *Becoming a Teaching of The Life of Christ*. *The Life of Christ* with *Acts* chapters 1 and 2 will be included in future printings.

In recent months, TFTWMS has sent 198 teacher's boxes to Mozambique and 100 boxes to Brazil (São Paulo) for distribution to congregations and preachers in training. We are sending a container of 2,000 teacher's boxes to Brazil this month. We are also working on sending boxes to Portuguese-speaking congregations in the U.S., such as in the North East and Florida.

TFTWMS has made the contents of the Portuguese teacher's box available as downloadable material at www.jornadadeluz.com.
