Dear brother or sister in the Lord,

As the Director or President, I would like to mention to you that Truth for Today World Mission School is seeking a full-time accountant.

Our longtime accountant (for 33 years) is retiring from her work at TFTWMS. We will miss her so much, but we believe we can find an accountant like her to fill her position.

This is a full-time, well-paid position. It comes with all the amenities that you will find in most positions like it in the business world. In addition, it serves a Christian Missionary School and has the beautiful environment and fellowship that Christians share.

This position is filled by the head or leading accountant for the school. The school is located in Searcy, Arkansas, and is within a mile of Harding University, the largest private university in Arkansas.

If you have the qualifications (U.S. citizen with a degree in accounting and experience in this field) and have the slightest interest, please contact me (Dr. Eddie Cloer) at 501-268-7588 and I will tell you all about it.

Yours for covering the World with the Gospel,

Eddie Cloer, president
